

*For the Convenience of our Patients at
Prairie du Chien Memorial Hospital*

**As of August 1, 2010
all Radiologist Services
are being billed by
Prairie du Chien Memorial Hospital**

We are pleased to announce that all Radiologist Services provided in conjunction with an exam performed by the Hospital's Medical Imaging Department will be billed by the Hospital.

Prior to August 1, if you had a Medical Imaging exam (X-Ray, CT, MRI, Ultrasound, Nuclear Med or Mammography) you received two bills—one from Prairie du Chien Memorial Hospital for the exam and one from the radiologist for the interpretation fee.

Now for your convenience, you will receive just one bill from Prairie du Chien Memorial Hospital. The benefits to you include:

- All questions relating to this service may be directed to the hospital.
- Prior to this change, if your insurance provider was not in-network, you may have had an out-of-network fee.

We anticipate this to be an easy transition. If you have any questions, please contact us.
